

Communication to Pyramid Model Investors

and

Communications for Investors to use

For the investors:

1. Thank you for funding the Pyramid Model. As a reminder, you can encourage staff to attend the trainings. Teachers who have taken and are implementing the training report calmer classrooms and fewer behavioral disruptions. The attached flyer about the Pyramid can be sent to your XYZ teacher. They can search for trainings [here](https://www.nyworksforchildren.org/aspire/go/). <https://www.nyworksforchildren.org/aspire/go/>
2. Your funding for the Pyramid Model is benefiting teachers and child care providers across New York State. Over **12,700** people have been trained in the Pyramid Model and it's being implemented to fidelity in **375** classrooms. Teachers report calmer classrooms and less disruptive behavior when using Pyramid Model strategies. The attached flyer provides details about the model and training. People can search for trainings [here](#).
3. The Pyramid Model funding is making a difference. Child care providers using the Pyramid Model report fewer behavioral disruptions and better cooperation among students. Some parents are also noting a positive change in children's behavior. Please see the attached flyer for details. Staff can visit the [Aspire](#) site to find training near them.
